# Special Events

Approval Matrix				
Environment		1-49 pax	50 to 299 pax	≥ 300 pax
Off US or HN Access Controlled Installations	Not in uniform	Unit CDR (local policy)	USAG/O6 CDR	GOFP
	In Uniform	USAG/O6 CDR		
On US or HN Access Controlled Installations		GOFPs may establish notification and approval requirements, or delegate authority to USAG CDR		

As directed by USAREUR OPORD 0038-16 (FY16-FY17 BASELINE FP POSTURE)

Based on threat levels, anticipated attendance, level of publicity, non-DoD attendees, etc. USAG commanders may add more stringent requirements for events within their footprint.

Conduct Threat Working Groups to review the local threat environment and assess local off-installation mass gathering events and soft targets that are expected to draw significant numbers of DoD personnel.

- Applies in foreign countries off access controlled (ACA) installations
- Any CDR may elevate approvals based on event profile
- DoDDS: The Risk Assessment Planner (RAP) (300+ still requires GOFP approval)

**AE Regulation 525-13 provides specific guidance**
